OFFICE OF LEGISLATIVE COUNSEL

Friday - 22 May 1964

25X1 1. [redacted] Met with George Murphy, staff of the Joint Committee on Atomic Energy, and in response to his request, gave him biographic information on the following individuals [redacted]

[redacted] 25X1
In response to his request for information on [redacted] I referred Murphy to information provided on a previous request from the JCAE indicating that we had received no additional information but suggesting he might wish to check with the FBI [redacted] 25X1

Mr. Murphy mentioned, in the course of conversation, that on the basis of information contained in the press relating to the discovery of over four microphones in the American Embassy in Moscow, the Staff Director, John Conway, was sending the Agency a letter asking if there was any indication that there had been a compromise of atomic energy information as a result of the existence of these microphones.

25X1 2. [redacted] Pat Holt of Senate Foreign Relations called to inquire if we had any word on the Director's possible appearance before the Committee. I indicated the Director had not yet been able to firm up his plans and we would be in touch next Monday. Holt suggested the possibility of either Wednesday or Thursday of next week.

25X1 3. [redacted] Picked up from Senator Cannon's office a copy of a cable from an organization in the Senator's state. It is being referred to OSA.
